*Pregnancy Help Center / Safe Haven  
 Annual Fundraising  
 Banquet*

*“The Gift of Life”*

“Gift of Life” represents our own life and that of others. Each of us has received the breath of life, a gift from the Lord...He breathed life into us...every good and perfect gift is from above.

On Friday, January 27, 2012, we will recognize the preciousness of that gift and how the Pregnancy Help Center and Safe Haven helps women in crisis pregnancies pass that gift of life on to their babies. You will hear testimonies from clients that were touched by the ministry of the Pregnancy Help Center and Safe Haven. You will also have the opportunity to partner with us in offering the “Gift of Life.”

The Banquet will be held in the Ballroom at the Lake Jackson Civic Center. Our silent auction begins at 6:00 pm and the meal and program begins at 6:30 pm. You may help underwrite this banquet by hosting a table. The cost is \$200 for a table of eight.

The most precious gift that has been given to us is Jesus. The primary purpose of the Pregnancy Help Center is to present “the gift of Jesus” and the salvation He offers us so freely. I pray you can be a part of this night as we celebrate the “Gift of Life”.

Please call the Pregnancy Help Center (979-297-3622) if you would like to help by underwriting a table, donate an item or items for the silent auction, or if you need tickets. We will be more than happy to assist you with any of these requests!

Together my friends we are making a difference in the lives of people. God bless each one of you!

*Blessings,  
 Jackie*

**The Expansion Has Finally Started!**

IT HAS BEGUN, and boy, are we excited!!! Construction is underway in the addition of a new parking lot and more educational space at the Pregnancy Help Center. We want to give a great big thanks to Second Baptist Church, Lake Jackson for accommodating our H.O.P.E. program during this time.

With the addition of this new education space we hope to offer more classes to the community; classes in parenting, learning the importance of reading to your children, and the opportunity to host more events. One thing we know is that education is very important to these expectant moms and dads. The one thing that we can offer that existing classes in our community are not offering is the importance of walking with the Lord in everything you do. You can know the procedure and what works, but without Him, one loses out on the best life.

Please continue to pray for this endeavor and for the safety of the men working on this project. The completion time is expected to be around May 15, 2012. Be looking for an Open House shortly after this time!

**HOPE Meals and Graduation – Opportunity to Serve and Share**

First of all, let me say thank you to all the people who have taken advantage of this awesome opportunity and ministered to our HOPE clients by sharing a little personal time with them. The coming year promises to be a particular challenge for us where meals are concerned due to the construction that will be going on through May 2012. (Our kitchen is part of the renovation process and will not be accessible to us for a time.) If your church, Sunday School class or small group would like to help us out by hosting a meal and/or graduation, this would be an especially good year to do so. You will have the opportunity to share about your church or small group/Sunday School class with the expectant parents in a relaxed atmosphere and hopefully, begin a friendship that will encourage them to get connected with a church. We serve around 50 meals each night we have class. The PHC will provide all the eating utensils, cups, plates etc., for the meals and graduations. Check the available dates below and if you are interested in ministering this way, please call the Center and ask for Maria.

**A “New Creation” at Safe Haven**

Safe Haven is creating a craft room for our residents. It will be used by them for their personal use to make things for the home, to make gifts for their families or friends, or maybe a keepsake for themselves to remind them of their stay at Safe Haven. Whatever the reason, we thought it would be a great addition to the home. Some of the residents are unable to work for various reasons and would enjoy doing crafts during their free time so we thought a craft room would be a great idea! If you have some of the following things lying around your home, or would like to purchase something for our new craft room, please feel free to call me, Vicki @ 979-665-7661, to make arrangements to get your donation to Safe Haven. We are so excited about our new endeavor!

- rubber stamps, ink pads
- scrapbooking supplies: decorative papers, stickers, embellishments
- Elmer’s glue-white
- hot glue gun and glue sticks
- double sided and Scotch tape
- scissors-for paper and sewing
- ribbon
- acrylic paints, brushes
- markers
- sewing supplies: notions, pins, thread, fabric scraps for small projects
- craft mats to protect tabletop
- exacto and/or craft knives
- gift cards to Hobby Lobby, Michael’s, Home Depot, Lowes, Target or WalMart

**Don’t forget about Chili’s “Give Back” Nights**

Chili’s in Lake Jackson will donate a portion of your purchase to the Pregnancy Help Center on Jan. 2 and Feb. 6, and to Safe Haven on Jan. 9 and Feb. 20. You must present the flyer for PHC or Safe Haven on the respective dates when purchasing your meal in order for the donation to apply and you can download them from our website – www.pregnancyhelpcenter.org.

**Sanctity of Human Life**

January is Sanctity of Human Life month. The Pregnancy Help Center can present a life affirming message for your church group or congregation in observance of this special event. This is also a great time to encourage healing for those wounded by abortion. If you would like someone to speak on the sanctity of life, please call Jackie at 297-3622. If you would like more information on the help available for those still struggling with an abortion experience, call the Center and ask for Beccy.
